

## Updated Mask Policy at Faith UMC

As of 6/18/21

Our policy will be as follows:

1. For those who have been vaccinated, the wearing of a mask will be strictly voluntary. Using the honor system those who have **NOT** been vaccinated should **always wear a mask** while on church property.
2. Social distancing is to be **always encouraged**. This will include any meetings and services that are being held inside the church building.
3. Any outside group that will be meeting inside the church will be required to abide by all rules policies that are set forth by AST.
